

Digital Innovations® CleanDr® for Playstation 3 Laser Lens Cleaner

CleanDr® for Playstation 3 Laser Lens Cleaner is specifically designed to safely clean PS3 game consoles. The patented Zero-Clearance™ 10-Brush Cyclone Clean process removes dirt and dust build-up on the lens of the Playstation 3 that causes audio and video dropout and distortion.

- Cleaning the laser lens helps maintain the life of the Playstation 3, as well as improves image and sound playback.
- Exclusive 10-brush Cyclone Clean™ Process removes dust, dirt, and debris.
- Patent-pending Zero-Clearance Technology™ uses a brush-and-pocket system to allow each cleaning brush to flex into a pocket without knocking the laser lens out of alignment.
- Includes essential Home Theater Calibration tools to help maintain ideal audio and visual playback settings, with on-screen and voice instructions available in English, French and Spanish.

Includes: CleanDr® for Playstation 3 Laser Lens Cleaner, image and sound calibration tools, and storage case
